

**Women Empowered (WE) Program
2009-2010 Application
Office of Multicultural Student Affairs
Due May 22, 2009 at 5:00 PM.**

The Women Empowered (WE) Program supports, retains, and develops DePaul undergraduate women of diverse ethnic backgrounds.

The program works to build coalitions among women of color and to identify and address issues that women of color experience at DePaul and beyond. The overall vision for the WE Program is to centralize resources for women of color and to support the participants - personally, academically, and in any leadership endeavor.

Agreement:

In an effort to provide support to women of color at DePaul University, OMSA is committed to providing academic assistance through our Academic Progress Reports and Reaching for Academic Progress processes (R.A.P. Sessions). These consist of monitoring your progress at each midterm period and at the end of each quarter along with the potential scheduling of a R.A.P. Session. R.A.P. Sessions provide students an opportunity to connect with an OMSA staff member to discuss their academic progress.

I understand that as participant in the Women Empowered (WE) Program, the Office of Multicultural Student Affairs will request information from my professors regarding my academic progress. I also authorize the Office of Multicultural Student Affairs to access my grades quarterly during the school year for the purpose of academic progress dialogues and retention research. My signature below indicates I understand the above statements, and I commit to my own academic success by actively participating in the R.A.P. program while attending DePaul University.

In addition, I understand that any false information provided on this may affect my application status and participation in the Women Empowered (WE) Program.
